Dy. No. 9016.

S.N. 50/321-91.

The Indian Factories Act of 1911 has been applied to the Station in the Government of India Notification No. 2309 I.B., dated the 8th August 1921.

The Indian Factories Act 1934 consolidates and amends the Indian Factories Act 1911 and its subsequent amendments - Section 82 of the New Act repeals the older Acts. The new Act comes into force in British India on the 1st January 1935. Hence the direction to submit proposals for the application of the new Act.

Under Part I of the Notification of the Government of India No. 507 - I dated the 6th February 1896 all enactments which were then or thereafter brought into force in the Civil and Military Station of Bangalore apply to the Railway lands in the Mysore State administered by the British Government unless otherwise declared by the Resident. This notification still stands. There seems to be no need therefore to apply the new Factories Act by a special notification to the ^{Ry.} ~~Mysore~~ lands in Mysore.

A draft letter to the Government of India is submitted.
